

OPEN CALL FOR 3 CAREER RETURN FELLOWSHIPS

Eligibility criteria:

- 1) Female, PhD holder
- 2) no fixed age limit
- 3) must have spent at least 1 year away from academia/industry (due to maternity of child care reasons)
- 4) full time or part time as the individual chooses
- 5) full or part time fellows
- 6) any topic of research clearly relevant to EXPERTISSUES (one of the RV1-RV9 – see <http://www.expertissues.org>)
- 7) the researcher will work with a member of the EXPERTISSUES network (the work-plan should be related to other partner's work)
- 8) 3 fellowships available with two calls in 2006 and 2007 – flexible start date
- 9) Maximal duration of the fellowship: 18 months
- 10) criteria for selection : previous research history and educational record

First Call 15th November 2006

Deadline for receipt of applications - 15th February 2007

Applications must be send to the coordinator address: 3B's Research Group, Dept. Polymer Eng., University of Minho, Campus de Gualtar, 4710-057 Braga or to the e-mail address tania.alves@dep.uminho.pt, or directly to the EXPERTISSUES partner the candidate is applying to.

Applications should include applicant's CV and a covering letter indicating clearly the partner that are applying to work with, and the reasons to leave and returning now to research.

The applications will be evaluated by a committee, composed of GAG (Gender Awareness Group) members and then revised by the NoE coordinator.
